

# SENIOR LIFE SLICE APPLICATION

Please Watch – How to Get Started – Ep. 2 – SLICE App

# **SLICE App**

**SLICE is compatible with all  
newer version of iPad and  
iPhones**

# SLICE App

Before installing SLICE, go to “Settings” on your device, select “General” then “Software Update” and make sure your device is fully updated

# SLICE App

**Note:** for iOS Download, when attempting to launch the app, if you receive a message "Untrusted Enterprise Developer", please follow the below steps:

Go to the "Settings" on the device

Select "General"

Scroll down and select "Profiles and Device Management"

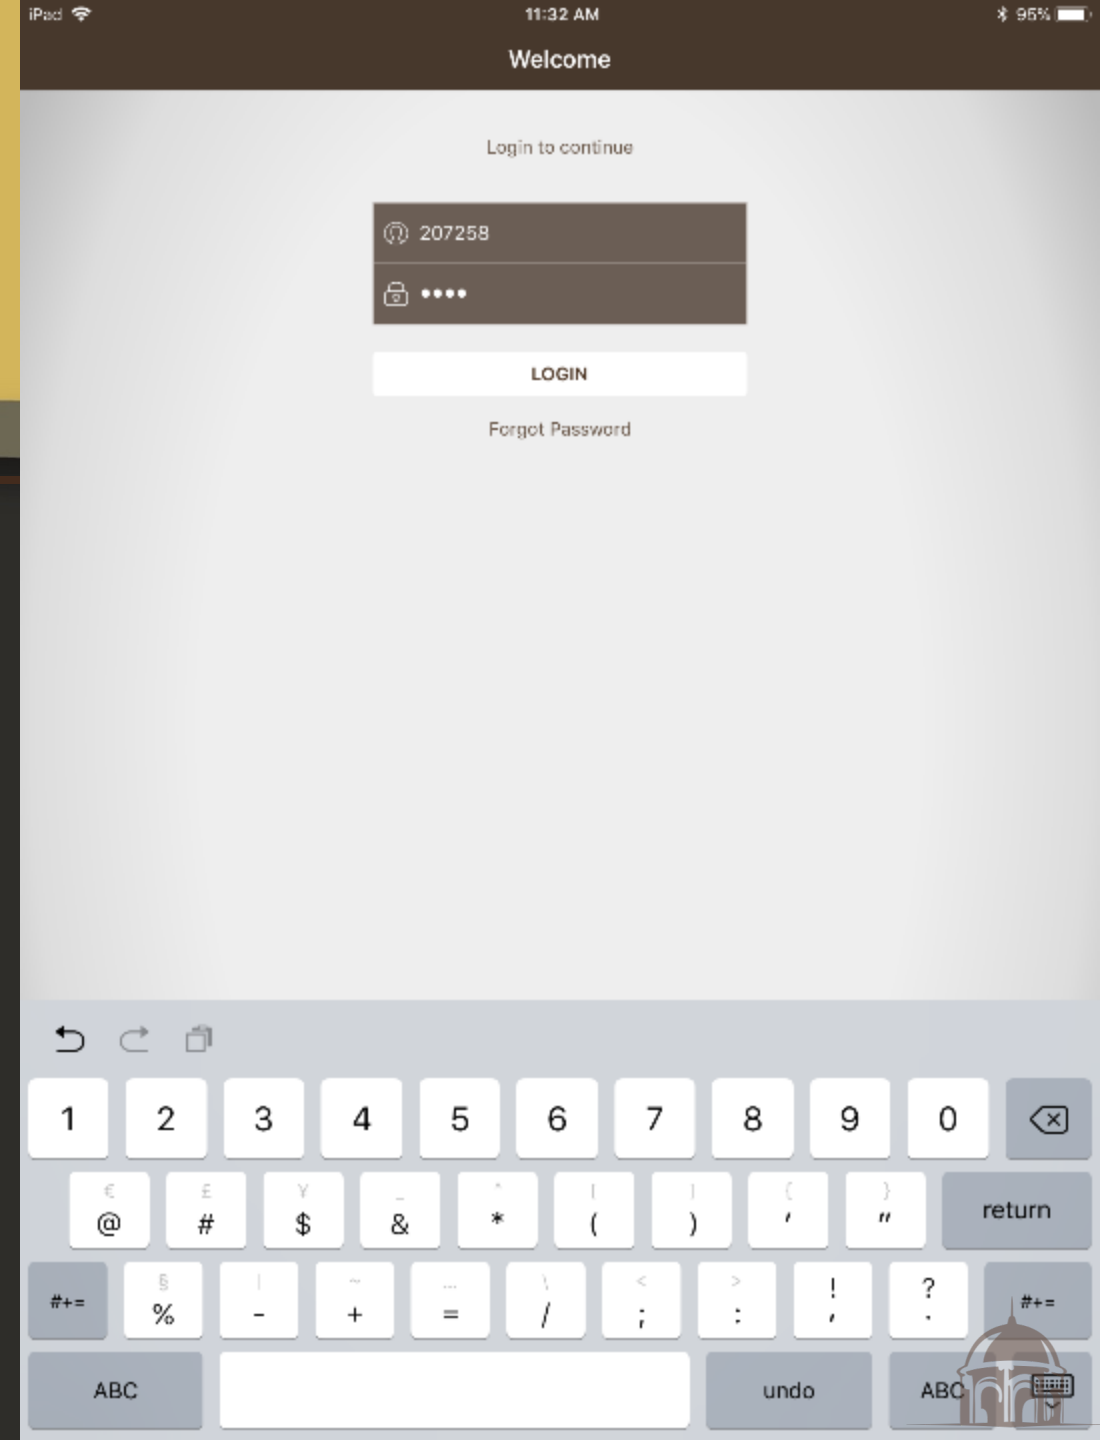

Select "Senior Life Insurance Company", and then select "Trust" and confirm Trust in the dialog.
